FREQUENTYLY ASKED QUESTIONS

The Flexibility You Want. The Support You Need.

1. What is Karva Free & Easy Umrah?

Karva Free & Easy is a group Umrah experience designed for pilgrims who prefer a more flexible and independent journey.

Travel with a Karva group, accompanied by a Karva Travel Official, and take part in two fully guided Umrah experiences. The rest of your time in Makkah and Madinah is yours to plan and enjoy at your own pace. You travel with Karva, but your free time is yours.

2. What is included in the package?

The package includes:

- Return flights
- Saudi visa
- Airport transfers
- One-way Haramain Speed Train
- Accommodation at Karva's preferred hotels
- Bed & Breakfast
- Karva Official throughout the journey for logistic support
- One guided Umrah with a Karva Mutawwif (Option to add another Umrah with additional charge)

Specific inclusions may vary by departure and will be stated in the package details.

3. Is this a group Umrah package?

Yes. You will travel as part of a Karva group and be accompanied by a Karva Official. However, unlike our more structured Guided Group Umrah packages, Free & Easy allows you greater freedom during your free time.

4. Is there a fixed daily itinerary?

No. There is no fixed daily group itinerary during your free time. You are free to decide how you would like to spend your time - whether you prefer to spend more time in the Haram, rest at the hotel, explore the city or spend time with family and friends.

FREQUENTYLY ASKED QUESTIONS

The Flexibility You Want. The Support You Need.

5. Is Ziarah included?

No organised Ziarah is included in the Free & Easy package. This is intentional and forms part of the flexibility of the experience. You may choose to explore places of interest in Makkah and Madinah independently or make your own arrangements.

6. Can I choose my own hotel?

No. Accommodation will be arranged at Karva Travel's preferred hotels. Our preferred hotels are selected based on factors such as location, quality, comfort and suitability for our pilgrims. This allows Karva Travel to maintain a consistent standard of accommodation and service across the group.

7. Will I be staying with the other Karva Travel pilgrims?

Yes. The group will stay at the designated Karva Travel's preferred hotel(s) for the departure. This allows you to enjoy the convenience and reassurance of travelling as part of a Karva Travel group while still having flexibility during your free time.

8. Will there be a Karva Travel Official / Group Leader?

Yes. A Karva Official / Group Leader will accompany the group and coordinate the necessary arrangements throughout the journey. They will be your key point of contact for group-related matters and operational assistance.

FREQUENTYLY ASKED QUESTIONS

The Flexibility You Want. The Support You Need.

9. Does Free & Easy mean I am completely on my own?

No. Free & Easy refers to the flexibility of your personal time, not the absence of support. You will still travel with Karva Travel, stay at our designated hotels and have a Karva Travel Official / Group Leader supporting the group. Free & Easy doesn't mean you're on your own.

10. Will I have a Mutawwif?

Yes. The package includes 2 Guided Umrah with a Karva Mutawwif. The Mutawwif will guide you through the Umrah rites and provide the necessary guidance to help you perform your Umrah with confidence.

11. Can I perform additional Umrahs?

Yes. After your guided Umrah, you may perform additional Umrahs according to your own plans and circumstances.

12. Is Free & Easy suitable for first-time Umrah pilgrims?

We recommend our Guided Umrah packages for first-time pilgrims. Free & Easy is best suited for those who have previous Umrah experience and are comfortable managing their own free time and personal arrangements. If you are performing Umrah for the first time or require comprehensive guidance throughout the journey, our Guided Group Umrah experience may be more suitable for you.

FREQUENTYLY ASKED QUESTIONS

The Flexibility You Want. The Support You Need.

13. Who is Karva Free & Easy Umrah suitable for?

- Experienced Umrah pilgrims
- Repeat travellers to Makkah and Madinah
- Couples
- Families
- Friends travelling together
- Those who prefer flexibility over a structured itinerary
- Those who enjoy exploring independently
- Pilgrims who want the reassurance of travelling with Karva Travel but prefer more personal freedom

14. Can I travel with my family or friends?

Absolutely. Free & Easy is particularly suitable for families and friends who want to travel together while having the freedom to manage their own time during the journey.

15. Is Breakfast included?

Yes. Breakfast is included as part of the hotel arrangement.

16. Are airport transfers included?

Yes. Airport transfers are included according to the confirmed package itinerary.

17. Is the Haramain Speed Train included?

Yes. One-way travel on the Haramain High Speed Railway is included according to the confirmed itinerary.

FREQUENTYLY ASKED QUESTIONS

The Flexibility You Want. The Support You Need.

18. Can I choose my own flight?

Flight arrangements are based on the available flights selected for the relevant departure. Our team will provide the flight details at the time of booking.

19. What happens if I need assistance during my journey?

Your Karva Official / Group Leader will be your primary point of contact for group-related matters and operational assistance. Karva's operations team will also provide support where required. While Free & Easy offers greater independence, we remain committed to ensuring that our pilgrims are supported throughout their journey.

20. How is Free & Easy different from Karva Guided Umrah?

The key difference is the level of structure and flexibility.

Karva Guided Umrah:
For pilgrims who prefer a structured programme, comprehensive guidance, organised Ziarah and group activities.

Karva Free & Easy Umrah:
For experienced pilgrims who prefer greater freedom, no fixed daily itinerary and no organised Ziarah, while still travelling with a Karva group and having the support of a Karva Official.

Neither is better - they are designed for different travel preferences.
